Mosaics by Leyla Spencer showing at the JB Kline Gallery

Lambertville artist, Leyla Spencer will be showing her mosaic work at the JB Kline Gallery 25 Bridge St, Lambertville, NJ, from November 2 through December 30, 2023. An opening reception will be held on Saturday, November 4th, from 5-8PM.

Spencer's work consists of expressive colors depicting both abstract and natural forms. Spencer enjoys using stained glass, precious and semi-precious stones and found objects, as well as glass tile in her work.. Spencer has been showing in the JB Kline studio every holiday season for the past 15 years.

"My work is like painting with glass," says Spencer. "The intense colors and textures really lend themselves to wonderful forms. Many clients say my work changes with the light. The glass is so interesting to work with."

Lately, Spencer has been working on a series of intricate circles that are filled with color and shape. Each piece is different and holds surprises in every corner.
